** Proper selection might also meet International Cultural Diversity and Cultural Discourse requirements - see core.tamu.edu					

GENERAL RULES
HUMAN RESOURCE DEVELOPMENT (HRDV) McALLEN
CATALOG 202431

I. COURSE SEQUENCING & PREREQUISITES

The human resource development curriculum is sequenced, meaning you must have a certain amount of credit hours to enroll in certain courses and you must also complete certain courses prior to enrolling in other courses. Prerequisite and classification requirements will not be waived, therefore it is important that you pay close attention to these requirements as you layout your coursework. It is important to check these restrictions and pre-requisites in Howdy each semester for any updates.

- EHRD 203 and 210 require sophomore classification (30+ credit hours completed) to enroll and are the initial prerequisites for most EHRD major courses
- EHRD 300/400 level major courses requires junior classification (60+ credit hours completed) to enroll
- EHRD 371 is the prerequisite for EHRD 402
- EHRD 203 and both MATH 140 and 142 are prerequisites for EHRD 391
- EHRD 391 is a prerequisite for EHRD 490
- EHRD 481 and 490 are prerequisites for the 484 internship in a student’s final term
- EHRD 490 must be taken the semester directly before their internship
- Only 6 hours of online asynchronous coursework can be taken with EHRD 484. All other coursework must be completed before you can proceed with your internship. EHRD 405 and 477 are recommended to be taken with your internship

Courses that are housed within Education and Human Development in McAllen are not guaranteed to be offered every fall and spring semester. It is critical that students work with their academic advisor to ensure they are taking the major courses they need each fall and spring to stay on track with their degree requirements. Below is an *example* of how courses may be offered:

Fall Only		Spring Only	
EHRD 203	EHRD 315	EHRD 210	EHRD 371
EHRD 325	EHRD 372	EHRD 374	EHRD 405
EHRD 391	EHRD 402	EHRD 408	EHRD 477
EHRD 413	EHRD 490	EHRD 481	EHRD 484

II. PROGRESS TOWARDS DEGREE

Student Rule 1.5.1 states, “A student is expected to register for a schedule of courses that follows the program of study for a degree in his or her college. A student who elects not to follow the program of study must obtain approval from his or her academic advisor. A student who fails to obtain approval may be held from registration, removed from the inappropriate course(s) and/or required to register for a prescribed schedule of courses” Periodically advisors will check to make sure you are taking classes towards your degree. If you are planning to change majors or take prerequisites for professional school, please let your advisor know.

Student Rule 12.1 – 12.2 - **Students must maintain a 2.0 or higher GPA at all times.** Those who do not meet the minimum GPA requirements may be placed on academic probation or dismissed from their major.

III. UNDERGRADUATE DEGREE PLANNER REQUIREMENT

The Undergraduate Degree Planner (UGDP) is an electronic tool that allows students to create a four-year layout of degree requirements to map out a tentative graduation timeline. The UGDP is in Howdy and accessible at any time to edit or plan future semesters. Students are encouraged to update their UGDP each semester to prepare for class registration, stay on track with course sequencing, and prepare for academic advising meetings. **The UGDP is not a substitute for advising.** Completion of your UGDP does NOT ensure you are meeting all the requirements for graduation or that your courses will be available in the semester(s) you plan.

IV. REQUIREMENTS FOR INTERNSHIP

1. Submit departmental *Intent to Graduate* survey by the deadline (announced each semester): **one year before intended graduation semester.**
2. Must submit learning agreement to the faculty by stated deadline in your semester before your internship.
3. Minimum GPR Requirement: 2.0 overall at Texas A&M.
4. Completion of all prerequisite coursework prior to internship semester.
5. Only 6 hours of online asynchronous coursework can be taken with EHRD 484. All other coursework must be completed before you can proceed with your internship.

V. REQUIREMENTS FOR GRADUATION

1. Submit departmental *Intent to Graduate* survey by the deadline (announced each semester): **two (2) semesters before intended graduation semester.**
2. Minimum GPR requirement: 2.0 overall at Texas A&M.
3. Complete all required coursework with the minimum required grade.
4. Apply for graduation and pay the diploma fee the semester you are graduating.
5. Transfer all applicable courses to Texas A&M by the registrars' deadline.
6. More information can be found on <http://graduation.tamu.edu/>

Everything in this degree plan packet is subject to change

Human Resource Development - McAllen

Catalog 202431

This degree plan has been laid out showing students the number of hours they should take each semester in order to complete the degree in four years. This is a *suggested* plan, students may opt to take their courses differently based on their individual situation. Students should use this document in conjunction with the curriculum spreadsheet, a copy of their degree plan, and meeting with their academic advisor when scheduling courses each semester. Students should be mindful that they need to complete all of the required prerequisite courses and meet classification requirements before they will be allowed to take certain EHRD courses.
